

BRIGITA KREMSER (SI)

I was born on 22.1.1970. I am a professor of mathematics on secondary school. I have a wonderful husband Beno and three children: boys Tadej, Stef and daughter Petja.

I got my first dog when I was 14 years old. She was a Rough Collie and soon I became very interested in dog world. We attended training classes and passed an exam in Obedience. I started going to Dog Shows with her as well.

Today I am a breeder of West Highland White Terriers. I bred also Rough Collies and Bichon Frise. I had my first Collie litter in 1986 and my first Westie litter in 1993. I am breeding together with my mother under the kennel name Brigoree. I have or had owned or bred almost 100 Junior European, international, national and club champions in all three breeds. Now I have or had had most successful West Highland White Terriers and Collies in Slovenia.

I became a judge in 1991 and I am eligible to judge the complete FCI groups I, II, III and the IX on an international level. Until now I have judged the breeds from all my groups on World, European, international, national and special shows in Slovenia, Finland, Sweden, Norway, Denmark, Ireland, Portugal, Germany, Switzerland, Netherlands, Austria, Italy, Czech republic, Slovakia, Russia, Hungary, Poland, Estonia, Latvia, Lithuania, Croatia, Macedonia, Serbia and Bosnia.

I am a President of Slovenian Club for Terriers. I am also a Board member of Slovenian Club for toy dogs.

Besides that I am a Vice President of Breeding Committee of Slovenian Terriers Club and a member of Breeding Committee of Slovenian Club for British Sheepdogs, Sheepdogs and Cattle dogs and Breeding Committee of Slovenian Club for Toy dogs.

I am a member of organising Committee for Maribor Dog Shows. Annually we organise double international shows accompanied with a terrier special show with Slovenian Club for Terriers and Slovenian Club for German Boxers.

I was also a member of Organising committee for EURODOGSHOW CELJE 2010. On the level of Cynological Association of Slovenia I have served as a member of Supervising Committee and as member of Judges Committee. I was named as an examiner for new judges by Educational Committee.
